Policy on Insurance Reimbursement:

If you have Insurance that provides coverage for mental health counseling, we can help you receive your maximum allowable benefits.

We will be happy to provide you with a receipt to forward to your insurance company. You are responsible for generating the claim and mailing it to the insurance company and tracking your reimbursement.

We will gladly discuss your proposed treatment and answer any questions relating to your insurance. You must realize, however, that

- 1. Your insurance is a contract between you, your employer and the insurance company. We are not a party to that contract.
- 2. Our fees are considered to fall within the acceptable range by most companies, called "Usual, Customary and Reasonable" (UCR). Some companies pay a percentage of the UCR for a given area. However, some companies reimburse based on an arbitrary "schedule" of fees, which bears no relationship to the current standard and cost of care in this area.
- 3. Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not cover.
- 4. If your company requests a report from us in order to process your claim, we will need to receive our normal hourly fee from you for this service.

- Proof of income may be required. All financial information kept confidential.
